

To: **Mr. Mike and Families**

Greetings in Christ Jesus!

I want to extend my deepest gratitude and thanks to you and your family on behalf of the clinic project, clinic staff and all those who were and are directly affected through your love offerings.

Because of you and your family have donated the fund, the Sen Soursdey Clinic at resettlement area will see the blessing of God and make their life better with hopeful. What a wonderful blessing this is to them in the name of Christ Jesus our Lord and Savior. We know that He loves the people so dearly, and being a part of His extension of love is such an honor. And for providing the poor people with their material needs; God bless you. Psalm 107:20 He sent his word and healed them, and this is exactly what you have done.
