In the coming weeks and months, [Just for Asia](#) plans to continue providing essential items — including medical rations, healthcare education, free charge of consultant and medicine, including bible study. And begin establishing Tunle Sab Medical Clinic to help respond to the emotional needs of children and adult at Siem Riep province. Please pray for this new project.

You have to believe when you pray. Many people pray without believing. Be fully convinced that God can heal. Do not doubt. Matthew 8:8,13 The centurion answered and said, "Lord, I am not worthy that You should come under my roof. But only speak a word, and my servant will be healed." Then Jesus said to the centurion, "Go your way; and as you have believed, so let it be done for you." And his servant was healed that same hour.

Please keep the people of Cambodia in your prayers.
God bless,
