Greetings in the name of the Lord of Jesus Christ. Pray that with this eNewsletter find you all well by the Grace of God. I just wanted to say thank you for praying for our ministries and Churches in Cambodia.

Sam Art, 12 years old boy in Sen Sok village, has one brother's name Raksmeay. I met these two small boys and asked them, Sam Art said "I sometime can't go to school because I need to take care of my younger brother while my parents are going to Phnom Penh to work as building worker due to my family is very poor. On the other hand, As my brother get sick my parents told me that don't forget bring him to see the doctor". His parents need to earn money to support the whole family .so they leave their children at home and go to find a job in Phnom Penh city 25 km from village.

When Jesus Christ went to the cross, He broke the power of sin to bring us forgiveness. At the same time, He broke the power of sickness and disease to bring us healing. (Matthew 8: 16, 17 "When evening had come, they brought to Him many who were demon-possessed. And He cast out the spirits with a word, and healed all who were sick, that it might be fulfilled which was spoken by Isaiah the prophet, saying: "**He Himself took our infirmities And bore our sicknesses.**" ")

We never forget to say thank to the Lord because of this project give the opportunity to Freedom of Sen Sok Church youth to volunteer with us. Mr. Dara is a youth of Freedom of Sen Sok Church who is very interesting in this project and honestly love to help poor people .

Staffs and Volunteers are getting more educational service and communication training, after clinic service in the every morning we spend 1 hour more to share our idea, study and make discussion to gether to strengthen our work effectively for medical care and nurse skill. All to them are so active and delighted with that. Especially, Doctor Ponna is a clinic staff who enjoys preparing medical care and nurse lesson to training them.

After they completed consultant with doctor, they usually take result paper documents from doctor to receive medicines from medicine distributor. And the distributor always instruct them with lovely word how to use medicine on time carefully and before take medicine please do not forget pray to the Lord please God bless by this medicine to make them recover.

Please pray for our ministries here as below:

1. **For clinic and church staff.**
2. **For one laptop and camera digital for clinic project use.**
3. **For Tunle Sap Medical Clinic project please God provide and bless this project to have fund for running it.**
4. **For one more prayer please pray for Ps. Rathana school fee on Master degree.**

Thank you so much for praying for us every day and we will see the Lord move on behalf of our strength.

Please keep the people of Cambodia in your prayers.
God bless,

Ps. Rathana
