

We used this tool for child's fluenza to release his runny nose.

I can do everything through him who gives me strength, (Philippians 4:13)

The Date of Work:

- The people are examined every Monday, Wednesday and Friday in the morning from 8:00am to 11:00am.
- We need to go through the base village at the end of every month.
- At the end of work, at 11:00am-12:00pm we teach how to take good care of illness and to use medicine with practical work.

-Population, the elder and children who have card number ask for examining for November 2010 such as:

- The amount of out-patient: 391.
- Examining amount have been 367 time because some of them come many time, but some only once time.

The total amount for November 2010

- Adolescent man =47
woman =135
- The children boy =108
girl =101

The total of adolescent and children is 391.
